PSC NQF Support Packages

Equipping educators and services
transition to the new system.

PSC NQF Support Packages
provide educators the depth of
knowledge, skills and understanding
to support transition to the NQF and
prepares services for the regulatory
requirements under the new system.

Why are PSC NQF Support Packages Effective?

PSC NQF support packages provide tailored, cost effective support to individual services to ensure educators develop the depth of knowledge, skills and understanding to support transition to the NQF. PSC NQF packages will assist services to develop the necessary skills to confidently develop ongoing continuous improvement within your service to successfully implement the NQF.

Why PSC?

To date, PSC have provided free NQF information workshops to over 655 educators across Western Australia and the Northern Territory. We have engaged with over 84% of services to assist them unpack the NQF. This means that our NQF Support Packages have been developed with an in-depth understanding of the style of support services require. In addition, our history in providing over 6565 professional development workshops to educators across Western Australia and the Northern Territory in the last year alone indicates our credentials in providing professional development to children's services.

What kind of support can I get from PSC on the NQF?

PSC's objective is to prepare and support educators for their changing roles under the National Quality Framework and enhance educators knowledge and skills on existing and new areas of practice.

We have engaged a dedicated PSC NQF Consultant to provide educators with the latest information and support to transition smoothly from the old quality system to the new streamlined system. Our NQF Consultant will deliver NQF Support through:

- NQF specific professional development workshops;
- face to face, email, phone, facebook and general blog NQF support and updates;
- development of NQF resources;
- providing relevant supporting resources through PSC Resource Centres;
- creating NQF specific "Policies to Go By";
- support in writing Quality Improvement Plans; and
- ongoing support via the PSC Helpline.
