## Overview of Session Outcomes and References to National Quality Framework and Approved Frameworks

In this session participants will identify a range of strategies to be an effective administrator including managing their own time to make the most of each day, and learning the skills of effective delegation.

### Session Outcomes:

- Participants will gain an understanding of what an Anti-bias curriculum is.
- Participants will gain confidence in challenging biases.
- Participants will gain ideas and inspirations for using the PSC Multi-cultural boxes for following and Anti- bias curriculum.
- Participants will reflect on their own biases and think about how this impinges on their work with children.

### National Quality Standards:

7.6 Information is exchanged with families on a regular basis.

7.6.1 Current information about the service is available to families.

7.6.2 Information is available to families about their child which includes documentation of the child's learning, development and participation in the program.

7.6.3 Information provided by families is documented as appropriate.
