

PSSP Expression of Interest Professional Development and Support for Early Childhood

Organisational Name

Name and contact details of the individual/s and organisation/s submitting this statement.

Organisational Capability

Please describe your understanding of professional development and support in relation to the specific strategic outcomes you wish to deliver.

This description should include the reporting mechanisms you have in place that will enable you to provide regular performance information to the PSC.

Organisational Capacity

For each of the program areas for which you are interested in delivering, please describe your capacity to deliver that outcome including you:

- Background;
- Previous experience at service delivery;
- How you stay informed of latest research and trends;
- The personnel likely to deliver this professional support service; and
- Capacity and availability to travel to regional and remote locations within Western Australia and the Northern Territory

Organisational Approach

For each program areas you have specified please describe:

- The range of innovative, flexible models of delivery of workforce development and professional support to deliver these outcomes;
- How you demonstrate cross-cultural competence in your service delivery
- How you might customise professional support to meet the individual service's needs; and
- How you will build local capacity in your approach within and across services, organisations, localities and sectors.

Organisational Networks

Please describe the existing connections and relationships you have across a variety of child care organisations and service types. If you have intentions of further developing these connections and relationships please detail your plans.

Challenges and Risk Management

What challenges do you envisage in the delivery of each outcome and how will you address these.

What challenges do you envisage you might encounter in service delivery across broad contexts and how might you address these?

Referees

Please list 2 referees who can recommend your service delivery
